Product Details

Product Name: [Magic of the Unicorn](#)

Category: [For Girls](#)

Description: *Transform any photo into a magical image . We can create a fairytale portrait and all you need to do is supply a photo of your child. These are not mass produced templates but actual portraits created with your child in a magical setting. A proof is created before print for you to view. You can have prints, enlarge onto canvas or even use on cards. If you wish to see the before image of this portrait, please ask us to e-mail it to you. We are happy to do so! Brand new designs by our new specialist designer Victoria Dixon. This talented lady manages to create magical images and takes children out of your photos and creates a new image of them in an enchanted dream land. The skill involved is tremendous so please allow a week for proofs to be created as considerable time is involved in the design process. The cost of a design for a magical fairy tale picture is £25 but this includes proofs of your portrait so you can see it before it is printed. We will adjust it as required so that we can guarantee your satisfaction ! Also included are 3 prints of your image. Design and printing of 3 photos in full gloss at 8 x 10" size 1 colour 1 black and white 1 sepia All design work involved. Design work is considerable and payment required in advance. Proofs will be e-mailed to you and adjustments made to suit your wishes. PRICE £25.00 for up to 3 children. Thereafter a surcharge per child applies. Should you wish enlargements -ask us we can give you prices. We can also use this artwork and print it on note cards, pads, invitations etc also. If you wish to have this portrait created please e-mail us. Should you like your artwork enough to wish it printed onto canvas - see canvas print section.*
